

The Family Chain

*If Love could have saved you -
You would not have died.
If tears could bring you back
You'd be by our side.*

*It broke our heart to lose you,
But you did not go alone;
For part of us went with you
The day God called you home.*

*God takes us one by one
And breaks the family chain.
But somewhere in a better land
Our chain will link again.*
