

I'M FREE

*Don't grieve for me, for now I'm free,
I'm following the path God has laid for me.
I took his hand when I heard his call;
I turned my back and left it all.*

*I could not stay another day
To laugh, to love, to work or play.
Tasks left undone must stay that way.
I found peace at the close of the day.*

*If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Oh yes, these things I too will miss.*

*Be not burdened with time of sorrow.
For I wish you the sunshine of tomorrow.
My life has been full, I savored much,
Good friends, good times, a love ones touch.*

*Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your hearts, and peace to thee,
God wanted me now so
HE SET ME FREE.*
