Loving the day i first knew i was blessed with you, u brighted my life with a spark of life. I knew you were mine forever. As you grew I felt our connection get stronger and from there i knew i was truly blessed, and I'm thankful that i finally got to meet you, even though it wasnt as i planned, but as i finally got to hold u. feeling a little taken away, a little hurt, and a tearful, i felt you. I love you my son, my KC.
