*Do not stand at my grave and weep  
I am not there, I do not sleep  
I am a thousand winds that blow  
I am a diamond glint on snows  
I am the sunlight on ripened grain  
I am the gentle autumn rain  
When you wake in the morning  
Hush I am the swift uplifting rush  
I am quiet birds in circling flight  
I am the fish swimming in the lake  
By the soft starlight at night  
Do not stand at my grave and weep  
I am not there, I do not sleep*
