

Let us pray,
Lord Jesus it is you,
who wakes me up every day
And I am forever grateful for your love...
this is why I pray
You let me touch so many people,
and it's all for the good
I influenced so many children,
I never thought that I would
And I couldn't take credit
for the love they get
Because it all comes from you Lord
I'm just the one that's giving it
And when it seems like the
pressure gets to be too much
I take time out and pray,
and ask that you be my crutch
Lord I am not perfect by a longshot,
I confess to you daily
But I work harder every day,
and I hope that you hear me
In my heart I mean well,
but if you'll help me to grow
Then what I have in my heart will begin to show
And when I get going,
I'm not looking back for NOTHING
Because I will know where I'm headed,
Because I'm so tired of the suffering
I stand before you,
a weakened version of your reflection
Begging for direction,
for my soul needs resurrection
I don't deserve what you've given me,
but you never took it from me
Because I am grateful and I use it,
and I do not worship money
If what you want from me is to
bring your children to you
My regret is only having one life to do it,
instead of two
Amen
