

God saw he was  
getting tired  
And a cure was not to be,  
So He put His  
arms around him  
And whispered  
"Come with me."

With tearful eyes  
We watched him suffer  
And saw him fade away  
Although we loved him dearly,  
We would not make him stay.

A golden heart stopped beating,  
Hard working hands to rest.  
God broke our hearts to prove to us  
He only takes the best.
