*To The Best Grandma:*

*Grandma was the perfect example of a Grandparent.  
She always was there for all her children  
and all her Grandchildren her entire life.  
She influenced everyone's life she knew  
in the most positive way.  
Brave woman for all hardships she faced,  
and still always had a smile on her face.  
Everyone who grew up around Grandma,  
all a special memory of her and  
LaLa being there for us.  
And the things she did, is what  
we all remember her for.  
Very special lady to all she encountered.  
Always dedicated her life to the kids  
she taught and helped raise.  
Will be missed forever and always.  
She was the master of quilt making her entire life.  
She made them out of any material there was around.  
I remember her always making  
bread, the best biscuits.  
Always made sure everyone was fed.  
Grandma's now in peace with Lala and all kids.*
