

***To Those I Love And
Those Who Love Me***

When I am gone, release me, let me go,
I have many things to see and do
You mustn't tie yourself to me with tears.
Be happy that we had so many years.

I gave to you my love. You can only guess
How much you gave me in happiness
I thank you for the love you each have shown
But now it's time I traveled on alone.

So grieve a while for me, if grieve you must;
Then let your grief be comforted by trust.
It's only for a time that we must part,
So bless the memories that lie within your heart.

I won't be far away, for life goes on.
So if you need me call and I will come
Though you can't see me or touch me I'll be near.
And if you listen with your heart you will hear
All of my love around you soft and clear.

And then, when you come this way alone....
I'll greet you with a smile and say
"WELCOME HOME"
