To My Dad

Dad, you're very special
you mean so much to me

There aren't many Dads like you
who give so selflessly

When life has turned my world
completely inside out
You're always there to lean on
I know without a doubt

Whenever things go wrong
and I don't understand
I know that you will be there
to lend a helping hand

The years have brought a touch of gray...
...some lines upon your face
But to me there's not another Dad
who could ever take your place
