

### *Don't Be Sad*

*Don't be sad and lonely, because I've gone away.*

*Think about me only, when it's a brighter day.*

*Don't waste your time crying, since I'm no longer here.*

*You have spent enough time, showing me that you care.*

*Wipe away your sadness, for tears won't bring relief.*

*Cherish the memories, forget about your grief.*

*If I could be with you, that is where I would be,*

*But I have no power, to change life's destiny.*

*So try to be happy, don't mourn your life away,*

*For we'll be together, at the end of life's day.*
