

FOOTPRINTS

*One night a man had a dream.
He dreamed he was
walking along the beach with
the LORD. Across the sky
flashed scenes of his life.
For each scene, he noticed
two sets of footprints in the sand;
one belonged to him,
and the other to the LORD.*

*When the last scene of his
life flashed before him, he
looked back at the footprints
in the sand. He noticed that
many times along the path of his
life there was only one
set of footprints. He also noticed
that it happened at the
very lowest and saddest
times in his life.*

*This really bothered him and he
questioned the LORD
about it "LORD, you said that
once I decided to follow
you, you'd walk with me all
the way, but I noticed that
during the most troublesome
times in my life there is
only one set of footprints.
I don't understand why when
I needed you most you
would leave me."*

*The LORD replied, "My son,
My precious child, I love
you and I would never leave you.
During your times of
trial and suffering, when you
see only one set of
footprints, it was then
that I carried you."*
