

GRATEFUL

Christian was a beautiful soul who was a Godsend. For that we know that she saw the world in a different light. She never judged people because of their skin color, religion, or personal views. Being created in the image of God she wanted to show the unconditional love her Lord and Savior gave her, & that love was illustrated through her engagement with her family and complete strangers. She was able to put a smile on people's faces no matter who they were. she knew this world needed to see that everyone was special...

To honor that passion and love she had, Jeri lee and I wanted to show Our community and family our gratitude through celebration of our baby's life. To do this we wanted to show our deep appreciation and gratitude toward those who took time out of their day to send their prayers, or thoughts our way. To us it means a lot... your kind words & encouragement has helped us in our greatest time of need...

For this we wanted to say thank you... Which to Christian was Hy'shqe (Lummi) and philámayaye (Lakota)
