

In Loving Memory of a Man  
Who Loved His Horses  
Douglas Dupree

Where is Doug? Someone Asked  
For he just went after the horses  
Time went by and he  
Never returned after all  
He just went after the horses

They found him later out in the pasture  
Where he just went after the horses  
Doug had went out to wrangle the Remuda  
But he didn't come back with the horses

God had called a great cowboy home  
To help Him with His horses  
So Doug rode on to the Heavenly pasture  
To gather up all of God's horses  
He lived the life he dearly loved  
Because he was always  
Around some horses

We sure are going to miss him, Lord  
And we'll take care of all his horses

Sometimes we forget he's your cowboy  
Too Lord, and you needed him to  
Care for your horses

Please ease the sorrow on his family now  
Until someday we'll all go out  
And gather the horses
