

Don't Be Sad

**Don't be sad and lonely,
Because I've gone away.**

Think about me only,

When it's a brighter day.

Don't waste your time crying,

Since I'm no longer here.

You have spent enough time,

Showing me that you care.

Wipe away your sadness,

For tears won't bring relief.

Cherish the memories,

Forget about your grief.

If I could be with you,

That is where I would be,

But I have no power,

To change life's destiny.

So try to be happy,

Don't mourn your life away,

For we'll be together,

At the end of life's day.
