

*They say there is no greater pain~  
No loss that can compare....  
The torment when you lose a child~  
No human heart can bear.*

*No one can just imagine...  
No one can comprehend~  
Unless they lose their own child  
And, then... They'll understand.*

*You'll never really breathe as strong~  
Your heart will bear a scar...  
No words can speak the sorrow,  
And it changes 'who' you are.*

*I know my life has meaning~  
I try to live each day,  
I start my morning with your love....  
And then.... begin to pray.*

*For all of you who've lost a child...  
Please know I feel your pain~*

*In Loving Memory Of*
