## LOVING MEMORIES

Your gentle face and patient smile  
With sadness we recall  
You had a kindly word for each  
And died beloved by all.

The voice is mute and stilled the heart,  
That loved us well and true,  
Ah, bitter was the trial to part  
From one so good as you.

You are not forgotten loved one  
Nor will you ever be,  
As long as life and memory last  
We will remember thee.

We miss you now, our hearts are sore,  
As time goes by we miss you more,  
Your loving smile, your gentle face,  
No one can fill your vacant place.
