My Mother's Presence

By Kelly Roper

*My mother's presence always warmed our home
With peace and security and love.
She was like a gentle breeze that wafted through
Setting things right, creating a haven for us all.
Whatever problems we had, Mom solved them.
Whatever triumphs we had, Mom celebrated them.
Whatever needs we had, Mom fulfilled them.
Surely such a mother could never drift far
From those she loved with all her heart.
Though she has left her earthly body behind,
I feel her presence still.
Mom remains close to me, she knows my sorrow,
And she enfolds me in invisible arms I can still feel,
And she comforts me.*
