

**THE SHEAF OF WHEAT...  
SYMBOL OF CHRISTIAN FAITH**

The seeds of faith are sown in the human personality and grow into the mature faith of the Christian man or woman.

The sown seed must lose its life in order that it may develop and grow and multiply.  
So symbolically, a sheaf of wheat is used by Christians to mark the passing of a fellow Christian.

Death is not the end but the beginning of life eternal.  
The mature grain in the sheaf is the direct symbol of the Resurrection - the life beyond the grave, the fulfillment of the promises of Jesus Christ.

**For Grandma**  
By Ryan Knight

Here she comes grandpa,  
Grandmas running full stride  
She's headed home,  
to be by your side.

Though this ol' world,  
will never be the same  
Without your sweet touch,  
and softspoken ways

We'll pass around stories,  
and look for a smile  
The laughter and tears,  
will go on for a while

And we'll miss you  
something terrible,  
with all of our hearts  
We'll miss you so much,  
when each day starts

We know you'll be watching,  
from heaven above  
And navigating us through life,  
with all of your love
