

### *When Tomorrow Starts Without Me*

*If tomorrow starts without me, and I'm not here to see,  
If the sun should rise and find your eyes all filled with tears for me,  
I wish so much you wouldn't cry the way you did today,  
While thinking of the many things, we didn't get to say.*

*I know how much you love me, as much as I love you,  
And each time that you think of me, I know you'll miss me too.  
But when tomorrow starts without me, please try to understand,  
That an angel came and called my name, and took me by the hand,*

*He said my place was ready, in heaven far above,  
And that I'd have to leave behind all those I dearly love.  
But as I turned and walked away a tear fell from my eye.  
For all my life I'd always thought, I didn't want to die.*

*I had so much to live for, so much left yet to do.  
It seemed almost impossible that I was leaving you.  
I thought of all the yesterdays the good ones and the bad.  
I thought of all the love we shared, and all the fun we had.*

*If I could relive yesterday, just even for a while,  
I'd say goodbye and kiss you and maybe see you smile.*

*But then I fully realized that this could never be,  
For emptiness and memories would take the place of me.  
When I thought of worldly things I might miss come tomorrow  
I thought of you and when I did my heart was filled with sorrow.  
When I walked through heaven's gates I felt so much at home.  
God looked down and smiled at me from his great golden throne*

*He said, "This is eternity and all I've promised you"*

*Today your life on earth has passed but here life starts anew.*

*I promise no tomorrow, but today will always last.*

*And since each day is the same there's no longing for the past.*

*You have been so faithful, so trusting and so true.*

*Though there were times you did some things you knew you shouldn't do.*

*You have been forgiven and now at last you're free.*

*So won't you come and take my hand and share my life with me?*

*So when tomorrow starts without me, don't think we're far apart,*

*For every time you think of me, I'm right here in your heart.*

She worked at Lakota Thrifty Mart from 1995 – 2005.

In 2007 she met her current husband, Jules Uses Many. Employment took them to various places, before settling in Eagle Butte where she remained until her passing.
