

### To Those I Love And Those Who Love Me

When I am gone, release me,  
let me go, I have many things to see  
and do, you mustn't tie yourself  
to me with tears. Be happy that we  
had so many years.

I gave to you my love. You can only  
guess how much you gave me in  
happiness. I thank you for the love  
you each have shown but now it's  
time I traveled on alone.

So grieve a while for me, if grieve  
you must; then let your grief be  
comforted by trust. It's only for a  
time that we must part, so bless the  
memories that lie within your heart.

I won't be far away, for life goes on.  
So if you need me call and I will  
come. Though you can't see me or  
touch me I'll be near, and if you  
listen with your heart you will hear  
all of my love around you  
soft and clear.

And then, when you come  
this way alone....  
I'll greet you with a smile and say  
**"WELCOME HOME"**
