

Eulogy by Marcos:

My Mother was a good and loving person. She always saw the best in people even when that person couldn't see it in themselves. My mom was a believer, she always had hope. Hope that everything was going to be fine. I know my mom may not have seemed like a good person, but you had to know her like her kids did. She always had a smile on her face, always goofing around, and making jokes "even corny ones". But those were the funniest.

My mom was a true comedian. LOL.

*We little knew that morning,  
that God was going to call your name.*

*In life we loved your dearly,  
In death we do the same.*

*It broke our hearts to lose you,  
You did not go alone,  
For part of us went with you,  
the day God called you home.*

*You left us beautiful memories,  
Your love is still our guide  
And though we cannot see you,  
You are always by our side.*

*Our family chain is broken  
And nothing seems the same  
But as God calls us one by one  
The chain will link again.*

**Lucy J. Two Two**, 40, CRST member of Reading, PA passed away Monday, July 18, 2022, at her home in Reading, PA.

Lucy Josephine Two Two was born October 16, 1981, in Pennington County, South Dakota to Pete Two Two and Aurelia Swan. She was the youngest of seven children: Alwin Earl Swan, Gillis James Bear Stops Jr., Lumanuel Joseph Two Two, Aleta Estelle Bear Stops, Angeli Evon Chavez (Bear Stops), Madonna Mae Morrison (Bear Stops). Lucy didn't speak much about her past, but she loved everyone even through their fallouts.

Lucy met Florentino Fonseca when she was around 17. They welcomed their first born one year later. Together they moved to Utah where they welcomed their first born and later Reading, PA, to have the rest of their children and raise them there. Even through all their differences, Lucy never let her kids down. She managed to give them a wonderful life even if she cried to herself because of how hard it was to do it.

Lucy was known as "Momma Lou" in Reading, PA and was a well-respected lady. People loved her energy and she knew just how to bring the light out of people. Some would always say she was quite the jokester, however she truly just enjoyed making people smile. For the ones who knew her, they knew every day was her birthday, even thou the family knew it wasn't. However, her family will still celebrate everyday as if it was because they will always enjoy the laughs and good times she brought

In 2016, Lucy became a grandmother to Leon and she did everything with him. They were inseparable. She loved everything about her grandsons. Not once did she stop talking about them. Towards the end of her life, Lucy would always remind her kids how much she loved them. She did her best to make everything right. P.O.P. WE LOVE YOU!

Lucy is survived by her children: Bianca Angelica Fonseca, Marcos Anthony Felipe Two Two Fonseca, Araceli Erandenin Alvarez, Isabella Noemi Velsco; three grandchildren: Leon Drew Angstadt, Savion Anthony Collazo, and one to arrive January 6, 2023 and her siblings: Gillis James Bear Stops Jr., Lumanuel Joseph Two Two, and Angeli Evon Chavez (Bear Stops)

She was preceded in death by her parents; and her siblings: Alwin Earl Swan, Aleta Estelle Bear Stops, and Madonna Mae Morrison (Bear Stops).
