

### Broken Chain

We little knew the day that God was coming to call your name.  
 In life we loved you dearly, in death we do the same.  
 It broke our heart to lose you, but you did not go alone;  
 For part of us went with you the day God called you home.  
 You left us peaceful memories, your love is still our guide,  
 And although we cannot see you, you are always at our side.  
 Our family chain is broken, and nothing seems the same,  
 But as God calls us one by one, the chain will link again.

Warren Jon Yellow Horse was born July 18, 2015, to Keisha Yellow Horse and Colton Morse in Mobridge, South Dakota.

He was known to his family as "Bubba", or as Papa and Grandma liked to call him, "Wajo". He was a kind, sensitive and loving child. Warren could be super creative and energetic at times. Playing with his dinosaurs was one of his favorite things to do, they went everywhere with him. Godzilla and deep-sea creatures held a special place in his heart. His newest interest was learning about insects up to the time of his passing.
