

Sharing Time

MOTHERS NEVER DIE—

THEY JUST KEEP HOUSE UP IN THE SKY

When we are children, we are happy and gay
And our MOTHER is young and she laughs as we play,

Then as we grow up, she teaches us truth
And lay life's foundation in the days of our youth—

And then it is time for us to leave home
But her teachings go with us wherever we roam,

For all that she taught us and all that we did

When we were so often just a bad, little kid,

We will often remember and then realize

That MOTHERS ARE SPECIAL

and WONDERFULLY WISE...

And as she grows older, we look back with love

Knowing that she "goes home" to receive her reward

She will dwell in GOD'S KINGDOM and

"KEEP HOUSE for THE LORD"

Where she'll "light up" the stars that shine through the night

And keep all the moonbeams "sparkling and bright"

And then with the dawn she'll put the darkness away

As she "scours" the sun to new brilliance each day...

So dry tears of sorrow, for MOTHER'S DON'T DIE...

They just move in with GOD and

"KEEP HOUSE IN THE SKY"

And there in GOD'S KINGDOM,

MOTHERS watch from above

To welcome their children with their UNDYING LOVE!
