

My Lord God, I have no idea where I am going. I do not see the road ahead of me. I cannot know for certain where it will end. Nor do I really know myself, and the fact that I think that I am following your will does not mean that I am actually doing so. But I believe that the desire to please you does in fact please you. And I hope I have that desire in all that I am doing.

I hope that I will never do anything apart from that desire. And I know that if I do this you will lead me by the right road, though I may know nothing about it. Therefore will I trust you always, though I may seem to be lost and in the shadow of death. I will not fear, for you are ever with me, and you will never leave me to face my perils alone.

Amen.

Esther Virginia “Ginnie” White Feather, 87, of Dupree, passed away Monday, July 31, 2023, at Cheyenne River Health Center, Eagle Butte.

Esther Virginia Eagle Chasing was born September 30, 1935, to Narcisse and Gracie (Lillibridge) Eagle Chasing. She attended school at Old Cheyenne Agency, SD.

On January 16, 1959, Virginia married Lamont White Feather at Dupree, SD. They welcomed six children. In 1970, they moved to Dupree where she lived the remainder of her life.

Virginia began her work career in 1972 as a MCH worker then in 1973 became a CHR worker. On July 18, 1977, she began as a Community Health Representative for the Dupree Area. In April of 1979, she received her G.E.D. and has had many accomplishments since then. She received her Basic CPR Training in October of 1977 in Rapid City. In 1980 she became an Emergency Medical Technician and would help with the Teton Ambulance Service when needed. She had numerous training courses to help her better serve her clients, from Vitals training, HIV, STD, Counseling, Co-dependency, Alcoholism, and Self Defense to name a few.

Ginnie has dedicated 37 years of her life to the people of the Cheyenne River Sioux Tribe. She has served under numerous CHR Directors, and Tribal Chairmen. The life of a CHR is very difficult because you must leave your family and tend to the ill and injured, travel to the hospital in all types of weather, blizzards, ice storms, thunderstorms, and extreme heat.

It takes a special person to be a CHR, as they show dedication, compassion, and empathy. CHR stands for CHALLENGE...HELPFULNESS...RESPONSIBILITY. Virginia stands for all of this and more.
