***She Is Not Gone***

*Ease your grief she is not gone,  
For in your heart she lingers on.  
Her smile, her laugh, her special way,  
Will comfort you from day to day.*

*You'll feel her presence in the breeze,  
That dances gently through the trees,  
And it's her face that you will see,  
When you're in need of company.*

*At any time, you can recall,  
The love you shared... You saved it all.  
And in time, more than anything,  
You'll find peace in remembering.*
