

### There is a Special Angel

There is a special Angel  
in Heaven that is part of us.  
It is not where we wanted him  
but where God wanted him to be.  
He was here but just a moment  
like a nighttime shooting star.  
And though he is in  
Heaven he isn't very far.  
He touched the heart of many  
like only an Angel can do.  
So we send this special message  
to the Heaven up above.  
Please take care of our Angel  
and send him all our love. ❤️
