

Ever Close In Mind And Heart

*No further away than a picture,
a smile or remembered phrase,
our loved one lives in memory
so close in so many ways.*

*For how often does a sunset
bring nostalgic thoughts to mind
of moments that our loved ones shared
in days now left behind!*

*How often has a flower,
or a crystal autumn sky
brought gold recollections
of happy days gone by!*

*Memory has a magic way
of keeping loved ones near --
ever close in mind and heart
are the ones we hold most dear.*
