

*I left my print
I lived my life
I made my path
With love, compassion, and happiness
I leave my prints on this earth
With no regrets
As God said it's time to come home,
I'm filled with joy
As I head to the gates of Heaven
I see my family cry
I pray and bid farewell
As it's not goodbye forever
Just a see you again soon
I ask you not to cry but be happy
As there is no more pain
No more hurt and suffering
Be happy as I leave behind my print.*
