

Don't wait til I'm gone
And then stand up to speak
About all the things that you
Loved about me.

Don't sing all my praises
Through all of your tears
When I am no longer
Beside you to hear.

Don't leave all that love
Like a secret unsaid
But tell me tomorrow
Or right now instead.

And I'll tell you too
Of the things I admire
About who you are
And how much you inspire.

In Loving Memory
