Precious Little One

*"My sweet baby girl, you will always be perfect
to me, pure, innocent and beautiful
I dreamed of you, your life and
all that it would be
I waited and was so anxious for you
to come join our family
I never had the chance to hold you close, to rock
you and comfort you when you cry
To laugh and play with you and hear your baby
giggles and to tell you how much you are loved
Now you are in Heaven with your Angel
Family, a bright shining star to always remind
me that you are one of Heaven's Angels
I will always be your mommy; he will always be
your daddy; you will always be our precious
Angel Baby...
You are not gone, for we sense you everywhere,
you are our sorrow and our joy and
there is love in every tear
You are forever in our hearts
my precious little one"*
