

Baby Heaven

God took me in His loving arms
and kissed my little cheek. He said,
"Now close your eyes, sweet child,
and try hard not to peek. We're
off to Baby Heaven. A paradise
above, where baby angels
watch over those they love.

I know how much you miss me.
I'm reminded with each tear.
I only wish that you could see
the joy and beauty here. The
time will come, dear family,
when I'll be with you again,
but I'm here in Baby Heaven
watching over you 'till then.
