A bond unbroken, a love so true,  
Forever, my baby - I carry you.  
You changed my world with just  
One glance, A love unshaken  
by circumstance.

You should have had so much  
life left to live, to have you here  
again there's nothing  
I wouldn't give.

If love alone could make you  
stay you'd still be here, you'd  
never stray. You filled my heart  
in ways unknown, a love that's  
endless, vast and grown.

#### Look For Me In Rainbows

Time for me to go now, I won't say  
goodbye; look for me in rainbows, way  
up in the sky. In the morning sunrise  
when all the world is new, just look for  
me & love me, as you know I love you.

Time for me to go now, I won't say  
goodbye; look for me in rainbows, high  
up in the sky. In the evening sunset,  
when all the world is through, just look  
for me & love me and I'll be close to  
you. It won't be forever, the day will  
come & then my loving arms will hold  
you when we meet again. Time for us  
to part now, we won't say goodbye;  
look for me in rainbows, shining in the  
sky. Every waking moment and all  
your whole life through just look for me  
& love me, as you know I loved you.

Just wish me near to you and  
I'll be there with you.

#### You Were A Precious Gift

You were a precious. Our joy,  
our dreams. You were a  
sparkle through the darkness,  
our hope for a brighter  
tomorrow. You warmed our  
hearts, gave light to our  
minds, and beauty to our  
spirits. We gave you our love,  
wrapped up in our care;  
caressed you with our smiles.

Now you are gone. We  
grieve. We miss you so  
much. The loving memories  
of you will keep you forever  
close to us, in our hearts, our  
thoughts, our souls.....
