*To Those I Love And  
 Those Who Love Me*

*When I am gone, release me, let me go,  
 I have many things to see and do  
 You mustn't tie yourself to me with tears.  
 Be happy that we had so many years.*

*I gave to you my love. You can only guess  
 How much you gave me in happiness  
 I thank you for the love you each have shown  
 But now it's time I traveled on alone.*

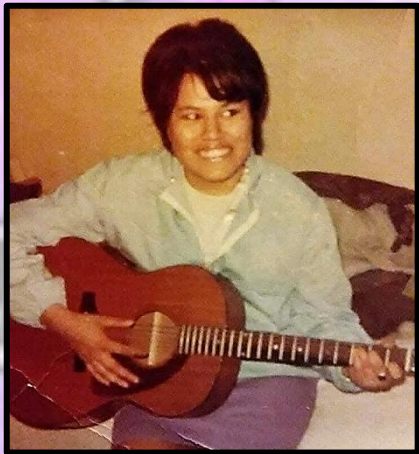

*So grieve a while for me, if grieve you must;  
 Then let your grief be comforted by trust.*

*It's only for a time that we must part,  
 So bless the memories that lie  
 within your heart.*

*I won't be far away, for life goes on.  
 So if you need me call and I will come  
 Though you can't see me or  
 touch me I'll be near.*

*And if you listen with your heart you will hear  
 All of my love around you soft and clear.*

*And then, when you come this way alone....  
 I'll greet you with a smile and say  
 "WELCOME HOME"*
