

*I Love You,*

# *Mom*

*When I say, "I love you, Mom,"  
It's not just for today—  
It's for yesterday's warm memories  
And all the wonderful ways  
You made me feel so special*

*With your caring and your love,  
And how you gently guided me  
Toward all that I dreamed of.  
And when I say, "I love you, Mom,"  
It's for every tomorrow, too,  
Because now and always in my heart  
There's unending love for you.*
