

A Truck Driver's Prayer

*Dear Lord, please bless
the way I drive
and let me keep someone alive!*

*Lead me through the
darkest night
if only by my running lights.*

*Make my judgement as sound as steel
and lend your hand to hold the wheel.*

*Give me strength for every trip
so that I take care of what I ship.*

*Keep my shipment safe and sound
as the hours dwindle down.*

*Be my eyes and ears today
on busy streets where children play.*

*Teach me to stop and lend a hand
if just to help my fellowman.*
