

## *God's Loving Hands*

The beauty of the daffodils  
In beds of snowy white  
The patter of a gentle rain  
A song of sheer delight.

The freshness of the ocean breeze  
As it sweeps across the land  
Can there be doubt this would exist  
Without God's loving hand.

The song of a canary  
With such a pleasant tune  
The wondrous smell of springtime  
With fields that are in bloom.

The birds that soar up in the sky  
All creatures on this land  
No doubt that this could ever be  
Without God's loving hand.

So thank Him without measure  
For His blessings showered down  
That fill our lives with pleasure  
'Til at last we're homeward bound.
