When Tomorrow Starts Without Me

*When tomorrow starts without me,
And I'm not there to see,
If the sun should rise and find your eyes
all filled with tears for me.*

*I wish so much you wouldn't cry
The way you do each day,
While thinking of the many things,
We didn't get to say.*

*I know how much you love me,
As much as I love you,
and each time that you think of me,
please know I miss you too.*

*But when tomorrow starts without me,
Please try to understand,*

*That an angel came and called my name,
And took me by the hand.*

*The Angel said my place was ready,
In heaven far above,
And that I'd have to leave behind
All those I truly love.*

*I had so much to live for,
So much left yet to do,
It seemed almost impossible,
That I was leaving you.*

*When tomorrow starts without me,
Don't think we're far apart,
For every time you think of me,
I'm right here, in your heart.*
