A Letter from Heaven

When tomorrow starts without me
And I'm not there to see;
If the sun should rise and find your eyes
All filled with tears for me.

I wish so much you wouldn't cry
The way you did today;
While thinking of the many things
We didn't get to say.

I know how much you love me
As much as I love you;
And each time that you think of me,
I know you'll miss me too.

when tomorrow starts without me,
Don't think we're far apart
For every time you think of me,
I'm right here in your heart.

Share if you miss someone in heaven
