Afterglow

*I'd like the memory of me
To be a happy one.
I'd like to leave an afterglow
Of smiles when life is done.*

*I'd like to leave an echo
Whispering softly down the ways,
Of happy times and laughing times
And bright and sunny days.*

*I'd like the tears of those who grieve,
To dry before the sun,
Of happy memories that I leave
When my life is done.*
