Memories in the Heart

Feel no guilt in laughter, she knows how much you care

Feel no sorrow in a smile that she's not here to share.

You cannot grieve forever, she would not want you to.

She'd hoped you can carry on, the way you always do.

So talk about the good times and the way you showed you cared

The days you spent together, all the happiness you shared.

Let memories surround you, a word someone may say

Will suddenly recapture a time, an hour, a day

That brings her back as clearly as though she was here

And fills you with the feelings that she is always near

For if you keep these moments, you will never be apart

And she will live forever, locked safe within your heart.
