

*A million times we thought of you,
A million times we cried,
If love alone could have saved you,
You never would have died.*

*In life we loved you dearly,
In death we love you still.
In our heart you hold a place
No one could ever fill.*

*It broke our hearts to lose you
But you didn't go alone.
For part of us went with you
The day God called you home.*
