

Memories

Do not stand at my grave and weep
I am not there, I do not sleep
I am a thousand winds that blow
I am a diamond glint on snows
I am the sunlight on ripened grain
I am the gentle autumn rain
When you wake in the morning
Hush I am the swift uplifting rush
I am quiet birds in circling flight
I am the fish swimming in the lake
By the soft starlight at night
Do not stand at my grave and weep
I am not there, I do not sleep
