Finally, the day has come,  
As I enter the pearly gates.  
I can't believe the splendor,  
My precious Swede waits.  
Gathering me in his arms.

Isn't it grand?

I am where I want to be,  
Holding his hand.  
I've waited so long for this day.  
Until we meet again,  
This is where I'll stay.
