

*A million times we thought of you,  
A million times we cried,  
If love alone could have saved you,  
You never would have died.*

*In life we loved you dearly,  
In death we love you still.  
In our hearts you hold a place  
No one could ever fill.*

*It broke our hearts to lose you,  
But you didn't go alone.  
For part of us went with you  
The day God called you home.*
