

# Celebrating A Life

*Thank you so much for all your love and prayers.*

*I can't imagine going through this  
time without your support.*

*This community welcomed us with open arms  
just over a year ago and now we feel those  
same arms surrounding us in comfort.*

*No matter what decisions are made in the  
future about our families location,  
this community will always have  
a special place in our hearts.*

*With Love,  
Lisa and Family*
