WALKING WITH GRANDMA

*I like to walk with Grandma
Her steps are short like mine
She doesn't say "Now hurry up,"
She always takes her time.*

*I like to walk Grandma
Her eyes see things like mine do
Wee pebbles bright, a funny cloud,
Half hidden drops of dew
Most people have to hurry
They do not stop and see
I'm glad that God made Grandma
Unrushed and young like me.*

FOR GRANDMA

*Words do matter, and they are enough.
We just need to say them,
to speak them publicly
to the ones we love,
for everyone else to hear.
That's the way
to give back to love,
and our chance to celebrate
a person in life.*
