November 8, 2000 - July 29, 2021

Nicholas "Nick" Satterlee, 20, of Highmore, passed away Thursday, July 29, 2021, at his home.

Nicholas James Satterlee was born in Spearfish, South Dakota on November 8, 2000, to Allan Satterlee and Sarah (Thrash) Satterlee. He was baptized at Mountainview Baptist Church in 2007. Nick attended West Elementary School and then Spearfish High School, loving welding and construction. This is where Nick earned his high school diploma in 2019.

Previously he worked at Highmore Health Nursing home where he was beloved by staff and residents alike. Most recently he was an elevator operator at Dakota Mill and Grain in Highmore, South Dakota. Nick was proud when he received his seed certification for the elevator. Nick was an avid fisherman and hunter. He loved stonework, welding, video games, and music. He also loved being a property owner, but most of all he loved his family and being an uncle.

Nick will be greatly missed by his parents: Sarah (Dan) Satterlee and Allan (Amanda) Satterlee; sister, Alisha Satterlee; niece, Anabelle Satterlee; grandparents: Tom and Judy West and Steve and Suzanne Lail.

He was preceded in death by his grandfather.
