

## *...Until We Meet Again*

Those special memories of you  
will always bring a smile  
if only I could have you back  
for just a little while  
Then we could sit and talk again  
just like we used to do  
you always meant so very much  
and always will do too  
The fact that you're no longer here  
will always cause me pain  
but you're forever in my heart  
until we meet again

*In Memory Of*

**Alice E. Buchheim**

August 17, 1926 - January 18, 2023

Alice E. Buchheim, 96, of Highmore, went to be with her Savior on Wednesday, January 18, 2023, at Highmore Health in Highmore, with her family by her side.

Alice Elizabeth Cherland was born August 17, 1926 to Ole and Mary "Nellie" Cherland at home in rural Hyde County. She was baptized and confirmed into the Lutheran Faith, attending Edwin Church and later Sedgwick Church, both located in North Hyde County. Family church attendance was very important to them. With a tap on the knee, Alice could quickly quiet the entire pew of children.

On May 27, 1948, she married Harold Buchheim. They made their home just 4-1/2 miles from her home place. While there, Alice stayed busy raising hundreds of chickens and chasing their 8 children (2-1/2 dozen aka 2 boys and 6 girls). She became certified and licensed to sell 1000s of Grade A eggs. She stayed actively involved in the church, serving as Sunday School and Bible School teacher, and held a variety of positions in the women's group. She was also a member of the Happy Hour Club and the Countryside Garden Club. She took much pride in being State and Regional chairman of the Smokey Bear and Woodsey Owl poster projects. Alice served as the president of South Dakota Federation of Garden clubs; this role provided the opportunity to travel across the United States.

Never time for idle hands, as she was always busy making sure there was fresh baked bread as the children arrived from school. Alice was well known for her raised glazed doughnuts which, in the spring, she generously provided for neighborhood bull sales.

She always had the coffee pot on with fresh baked treats to go with it. Everyone looked forward to Alice's fried chicken as it was a favorite at the annual 4th of July picnic and outdoor worship services, which the Buchheim's hosted.

Alice was a dedicated correspondent, providing the Sedgwick News for the Highmore Herald for over 40 years.

Living only 1/2 mile from the Illinois School, which all 8 children attended, she occasionally filled in as substitute teacher, acted as custodian, and hauled drinking water for the students daily.

Her affiliation with the garden club inspired Alice to have an annual Flower Display for residents at the Highmore Nursing Home to enjoy, along with her famous frosted coffee ginger cream cookies.

To not only be a true queen to her children, Alice was honored as Old Settlers Queen in 2008 and Highmore Senior Snow Queen in 2018.

It is impressive that a self-taught crocheter has her crocheted items displayed in several surrounding states. She always seemed to have doilies available to give to anyone who stopped by to visit.

Left to carry on her legacy are her 8 children: Mary (Mike) Thorson; Linda (Joel) Boschee; Shirley Morton; Elmer (Shelly) Buchheim; Gladys (John) Volek; Marilyn (Junie) Krick; Melvin (Betty Ann) Buchheim; and Thelma (Rex) Hirsch; 16 Grandchildren; 31 Great Grandchildren; and 1 Great-Great Grandchild due to arrive this spring.

Greeting her in heaven are her parents; husband; son-in-law, Tim; Great Grandson, Digger; and all of her and Harold's brothers and sisters.
