One More Miracle, Lord

By Flo Isaac

*Lord, you walked the silver sands of the Galilean sea,
You healed the crippled boy, and made the blind to see.
There's a need within my heart, have compassion now on me,
I am asking for one more miracle, Lord.*

*Just the touch of your hand on my sin weary soul,
Gentle touch of your hand and I know that I'll be whole.
There's a need within my heart, have compassion now on me,
I am asking for one more miracle, Lord.*

*Lord, I thank you for your love, for your blessings and your care,
You heal my little hurts. You hear my whispered prayer;
For you watch o'er all your children, all the time and everywhere.
And I'm asking for one more miracle, Lord.*

*Lord, I come to you today, is there grace enough for me?
Please take the thorns away, or come and strengthen me;
If the Miracle you send is to walk more close to thee,
Then I thank you for one more miracle, Lord.*
