"Providing Comfort To Families"

In Memory Of

Fred Hibbison

October 10, 1930 - April 8, 2015

Fred Hibbison, 84, long-time resident of Miller, passed away Wednesday, April 8, 2015 at the Texas Health Resources Hospital in Bedford, Texas.

Fred was born October 10, 1930 in Miller, South Dakota to Mary (Chase) and Arthur Hibbison. After graduating from Miller High School, he obtained a degree in Animal Husbandry from South Dakota State University in Brookings. Throughout his life, he worked many years for the Environmental Protection Agency and the United States Food and Drug Administration in Dallas, Texas; Washington, D.C.; San Antonio, Texas; and Houston, Texas. He also served in the Air National Guard.

While in Dallas, he met and married Willie Mae Butler Hibbison. They had two daughters. They eventually settled in Gladewater, Texas where Fred resided for nearly ten years. Fred's love for farming finally won out and he returned to Miller to work alongside his father on the family farm.

He spent some of his later senior years at both Miller Manor and Highmore Health before eventually moving to Texas to live at Mustang Creek Estates Assisted Living to be near his daughters and grandchildren.

Fred is survived by his daughters: Mary Ohman and her husband, Allan, of North Richland Hills, Texas and Marsha Hibbison of Dallas, Texas; his two grandchildren: Christopher Ohman of New York, New York and Lauren Ohman of North Richland Hills, Texas; his sister, Alice Mareska of Highmore; and numerous nieces and nephews. He is also survived by his former wife and friend of twenty-one years, Willie Mae Hibbison.

He is preceded in death by his parents, Mary and Arthur Hibbison; and his brother, Gordon Hibbison.

His family would like to thank the staff of Miller Manor, Highmore Health, and Mustang Creek Estates for taking such good care of him and the doctors and staff at Texas Health Resources for his final days.
